

**CANDIDATE FOR GOVERNING BOARD MEMBER
FONTANA UNIFIED SCHOOL DISTRICT**

NAME: DENNIS WAYNE RUBLE, Ed.D.

AGE: 77

OCCUPATION: Incumbent - Retired Educator

I have been on the Board for 21 years. I was an employee of Fontana Unified School District for 27 years (Teacher, FoHi - 5 years; District Coordinator, Special Services - 22 years). I have also been a licensed Marriage, Family, Child Therapist.

There is no other single concern more important to the future of the community, or even the country, than how we nurture, care for, and teach our children. As a long time educator and Fontana resident, I know that we need to teach academics, but we must also retain our electives and vocational programs, perhaps even expanding them. Not all of our students will be attending college.

During my time on the Board, we have opened 20 schools. The need is still just as great for the future of our Community. The construction of new schools is considered mandatory.

Our first priority is to educate and nurture our children. It is important that we continue to provide the best service available. I would appreciate the opportunity to continue to serve the Fontana community in this way.
